### **Design**

Design is scheduled to complete their initial audit of the 2.0 Monster Database in their work to update it for the 2.1 ruleset ("Project Monster Desk"). The team made significant progress on finishing the initial outline for the new monster cards.

The team is looking to contract a few "Monster Desk" staff members to help with data entry and technical work. If you'd like to get involved, email Albert at [dragonstamps@alliancelarp.com](mailto:dragonstamps@alliancelarp.com).

### **Documentation**

The Documentation committee is in the final stages of editing the 2.1 rulebook rough draft to present to the Owners for voting. After the voting, it will be more editing, then putting together the final version of the 2.1 Rulebook!

Currently, the team is actively recruiting new members, especially ones with good typing skills, access to Microsoft Word and/or Publisher, and those who have experience editing and putting together publications (newspapers, other rulebooks, marketing materials, etc.). The team has a lot of projects in the pipeline and would love to welcome one or two new members to help achieve these goals! If you'd like to get involved, email Albert at [dragonstamps@alliancelarp.com](mailto:dragonstamps@alliancelarp.com).
